Application Deadline

Sunday, 23rd September 2018

To apply, please [Click Here](#)

For enquiries, please email us at asia.recruit@morganstanley.com.

Morgan Stanley believes capital has the power to create positive change in the world. The biggest and most impactful changes come from people like you. If you come to Morgan Stanley, what will you create?

We would like to invite non-final year female students from any discipline with a genuine interest in the financial industry to attend our Women in Banking - Early Insights Program in Morgan Stanley Korea office.

Here's what you can expect:

This Program is designed for female students to learn about a career in an Investment Bank and gain insight into our day-to-day life of our bankers. You will have a valuable chance to find out more about Morgan Stanley, the work we do and the skills we are looking for.

Our bankers will lead participants through an interactive workshop based on technical deal scenarios during this intimate session. This is your chance to find out what bankers do while enhancing your technical skills. Apart from this, there will be an interviewing and personal branding workshop to help you build on the essential professional skills. You will also have an opportunity to chat with our bankers in Investment Banking Division at a dedicated networking session to deep dive and asks questions you wanted to learn about the firm and the industry in general.

How to apply?

Please complete an online application with your resume by **Sunday, 23rd September 2018**. We have limited number of spaces, so please submit your application as soon as possible.

Due to limited seats, this event is by invitation only and successful applicants will be notified with the event details by Wednesday, 26th September 2018 via the email address indicated on your application.
